

# What could your business gain from Chamber Membership?

Support, advice and information on funding opportunities for business development through our Business Advisory Service

Our weekly Chamber Newsletter with business tips, special offers of value to members and up to date news about local & national issues that may affect your business

Invitations to seminars, conferences, social & networking events

Participation in the Chamber Shopping Voucher Scheme which runs all year round and kept over €400,000 in the local economy in 2016!

A voice in discussions and lobbying on local, regional and national issues that affect our business community. The Chamber is considered the Voice of Business – Engaging, Representing, Influencing

Access to our 'Business Watch' scheme - A text alert system that instantly notifies you of any urgent news affecting your business

Access to information sessions & training, often free or at reduced rates

Promotion of local business activities, events, festivals and Dungarvan & West Waterford as a destination through the Chamber

A platform to promote your business via networking, partnering & social media, as well as free listing on our website [www.dungarvanchamber.ie](http://www.dungarvanchamber.ie)

Promotion of Dungarvan as a "must visit destination" at Christmas for 'Dungarvan Aglow'

Closer relationship with tourism businesses and activities, as part of a unified strategy offering support & opportunities for tourism & commerce.
