Dungarvan Has An Accommodation Problem. Do You Have A Room/ Accommodation To Rent?

Find the perfect match for your spare room and be part of the SOLUTION!

Rent a room in your house, or accommodation you own to professionals coming to work in Dungarvan. The Dungarvan & West Waterford Chamber is working on accommodation solutions for people moving to here for work.

Launching shortly, we are creating a platform where homeowners & tenants can register their room details and find a match.

Piloting this project, Chamber is collaborating with two established local companies (Haleon and Eurofins) that will provide with reassurance. All prospective tenants on the databases are professionals with confirmed offers of local employment from the area's leading employers.

It's a safe and straight-forward way to find the perfect match for a spare room in your home and protect yourself from rising costs of living. Do you know you can earn up to €14,000 tax free income from renting a room in your home?
